DIGITAL COMPETENCY OUTDOORS

Location: The Meads Infant School Learning Objective: To create a story of my natural environment	FP Year Group: Year 1 Lesson Number: 3
DC Skill: Use digital devices within a controlled environment, time and context. PSD: Develop a growing interest in the world around them and understand what their environment has to offer when playing alone and with others.	
Child Friendly Heading: Minibeast hunt	
Success Criteria: I can make a story about minibeasts and their features in our woods.	
What to Do: Discuss with the children what we have done down the woods the past couple of weeks. What minibeasts have we found and where have we found them? Introduce the children to the app - Pictello - Talking visual story creator. Explain to the children that they are going to create a story about their adventures down the woods and the creatures they meet on their way. Put the children in pairs and give them an Ipad explain to the children that they must work with their partner to create their story. Encourage the children to record facts, write some facts and include photographs.	
Resources: Ipad, magnifying glasses, sticks and petri dishes.
